LIVE UNITED

ADVANCING THE COMMON GOOD

United Way advances the common good by creating opportunities for a better life for all.

Our focus is on education, income and health—the building blocks for a good quality of life.

United Way recruits people and organizations who bring the passion, expertise and resources needed to get things done.

We invite you to be part of the change. You can give, you can advocate and you can volunteer.

CHANGE WON'T HAPPEN WITHOUT YOU

The United Way of Galveston is kicking off a new campaign. The members of the 2011 United Way Campaign Committee are honored to lead this year's campaign because we truly believe in the power of our Galveston community and we are proud to say we LIVE UNITED.

By working together, we make our entire community stronger. We all win when a baby gets the best possible start in life, when a child succeeds in school, when families are financially stable, and when emergencies don't result in long-term hardships.

When you give to United Way, you set in motion the actions needed to solve our most critical social and health issues that impact our community. Your gift results in more hope, more opportunity, and more people being involved in making a real measurable difference in the lives of so many.

We hope that you will join us by contributing to the campaign and being a part of a community working together to LIVE UNITED.

Thank you,
Gaynelle Hayes
Campaign Chair, UWG
